

## External Provider Nonconformance Notice

**Instructions:** The external provider nonconformance notice is intended to communicate to an external provider that a nonconformance has been identified in a purchased product or service, or in the external provider's quality system. This notice is used when a nonconformance is infrequent and of a low or negligible severity. While a corrective action is not requested, the external provider is encouraged to review the notice carefully and take appropriate action to satisfy customer requirements. The notice shall be issued by an authorized Valmont supply chain representative.
